April 2023

SGA News

## SGA Sports Club-Table Tennis

SGA Sports Club allows students to fill an existing need for sports while exemplifying leadership and creativity. Being a member of a sports club can bring a lot of benefits to students like helping them strengthen their health, build self-confidence and improve teamwork skills.

We held a table tennis competition in our sports cub at SGA Sports Center. All students enjoyed the joy of sports and competition.

## Easter Eggs Decoration

Easter eggs, also called Paschal eggs, are eggs that are decorated for the Christian feast of Easter, which celebrates the resurrection of Jesus. As such, Easter eggs are common during the season of Eastertide (Easter season).

On April 6, SGA students made full use of their creativity and innovation to decorate their easter eggs to celebrate Easter Holiday. All of our students were involved in this activity with full of passion. What a fun experience!

## Testimonial

## Ngoc Thuy Trang Bui from Vietnam

### 1. Could you briefly introduce yourself and what you think about St. George Academy?

Hello, my name is Mindy, and this is my last day at St. George Academy. For me, one year studying at SGA is a great time in my life. I have a lot of new friends from all over the world, experienced modern technology from school systems, and received helpful support from all the staff, counsellors, and teachers. They are nice and friendly and never say "No" whenever I need them. I feel comfortable and enjoyed myself during the time I studied here.

### 2. Which is the best thing you like at St. George Academy?

SGA is a great fit for my interest as a person who loves sports and outdoor activities. Together with academic study, we have opportunities to experience plenty of outdoor activities such as field trips to the University of Toronto, the Art Gallery Museum or the sports center to join team matches like basketball or table tennis. It's really fun and relaxing. Besides, we can also participate in special events and holiday activities.

### 3. What will you recommend for new students and your friends about SGA?

I highly recommend to my friends and new students to study at St. George Academy. If you finish the student's daily tasks, listen to the teachers' lectures, and complete all the homework, trust me, you will get good marks and easily apply to the college or University you want. Besides, let's enjoy your wonderful student time at St. George Academy, you will not regret it.

If it doesn't *Challenge* you,  
it doesn't *Change* you.

# SGA PARK HOME CAMPUS COMING SOON
