Field Trip - Toronto Island

On May 15, SGA students enjoyed an exciting field trip to Central Island in Toronto. Although everyone gathered at school early in the morning at 8:00 a.m., the students arrived full of excitement and energy for the day ahead.

At the island, students enjoyed a delicious lunch that included grilled hot dogs, Caesar salad, snacks, and drinks. They also participated in a variety of outdoor activities, including Red Light, Green Light, tug-of-war, and tag games, creating many fun memories together.

At SGA, our students work hard and stay dedicated to their studies throughout the year. However, taking time to relax, connect with friends, and enjoy new experiences is just as important. We hope this special day has helped everyone recharge and stay motivated for a successful remainder of the semester.
