SGA Students Explore the ROM! ✨🏛️

Our students had an amazing field trip to the Royal Ontario Museum (ROM), where they explored fascinating exhibits and discovered history, science, and culture up close! 🌍🦖

From ancient artifacts to dinosaur fossils, every corner of the museum was filled with exciting learning opportunities. This hands-on experience allowed our students to deepen their understanding beyond the classroom and appreciate the wonders of the world! 📚🔍

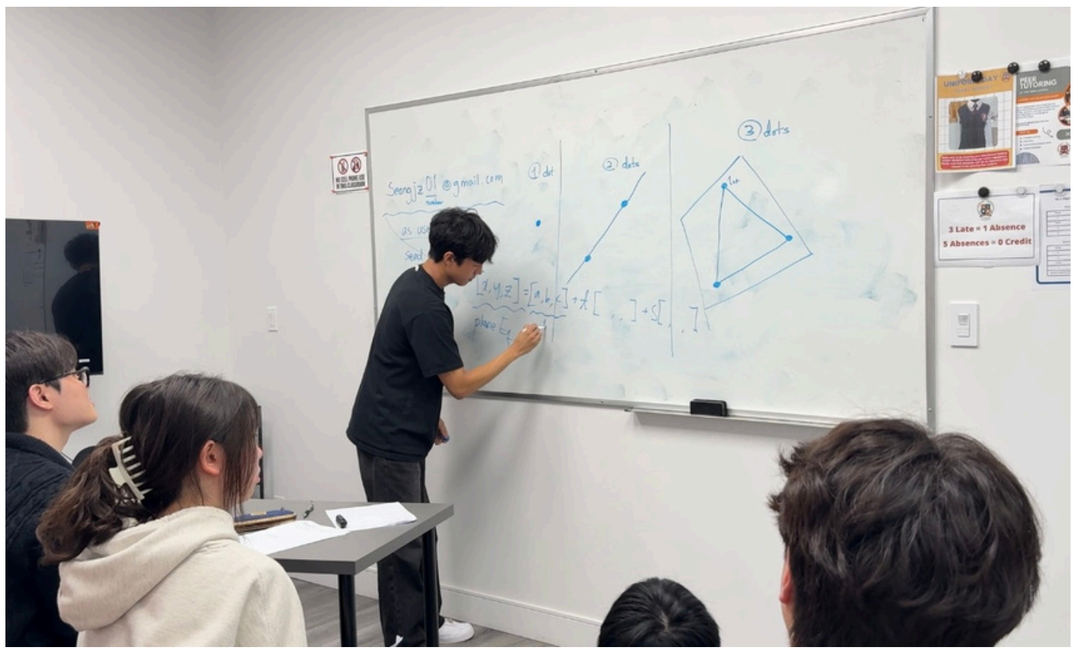

🌺🎉 Happy Persian New Year! 🎉🌺

Today, our SGA community came together to celebrate Nowruz – the Persian New Year! 🌿✨ This special occasion marks the arrival of spring, renewal, and new beginnings, bringing joy, prosperity, and hope for the year ahead!

Our celebration was filled with traditional treats, cultural performances, and joyful moments shared with friends! It was a wonderful opportunity to appreciate Persian culture and welcome the start of a new season.

Student Peer Tutoring 📖🤝

One week before the final exams, some students participated in peer tutoring. students helped each other, sharing study tips and knowledge to ensure that everyone could make academic progress! 🤝💡

Whether it was math, language, or science subjects, our students were enthusiastic about helping one another overcome learning challenges. Through this process, not only did we deepen our understanding of the course material, but we also built stronger friendships and collaboration skills.

What are your achievements while you are studying in Canada?
"One of my biggest achievements while studying in Canada has been becoming independent. When I first arrived, I had no friends, family, or relatives, and adjusting to a new culture and education system was challenging. However, I gradually adapted and became more confident in both my studies and daily life.

The SGA community and staff have been incredibly supportive throughout this journey. Their guidance has been essential in helping me with academics and adjusting to life in Canada. Thanks to SGA, I feel well-prepared for my future academic goals. I highly recommend SGA to students seeking a high-quality education and a supportive environment."
