LET'S REVIEW WHAT WE DID IN 2022

SGA News

Christmas Lunch Party

Christmas is one of the significant times of the year where we gather together, share our amazing gifts, and wish each other best wishes in New Year.

Our Christmas party was an award for all the students, to thank for their hard work in studying, their obedient attitude, and attending school activities. We hope that joining SGA Family helped them gain the best results for their future and have a wonderful student life.

Ontario University Fair

Ontario Universities Fair (OUF) was held on October 1st and 2nd, 2022 in Metro Toronto Convention Center. This event is a fair style with booths from many Ontario universities and colleges. This fair marks the unofficial kickoff to the fall recruitment season and gives a chance for universities to engage with thousands of interested students.

Our students gathered information and chatted with representatives one on one in the fair, which was a precious opportunity for their academic future.

Halloween Costume & Pumpkin Contest

Halloween is celebrated in Canada on or around October 31. It's a day to mark a single night in the year when according to old Celtic beliefs, spirits, and the dead can cross over into the world of the living.

This year, SGA had an amazing Halloween party with our sister school SGIC. We attended the Costume and Pumpkin Contest and admired the talent and creativity of others. It was such a great time for the students. They were able to create more friends from SGIC.

Toronto Korean Festival

The Toronto Korean Festival is the biggest Korean festival in Canada as well as the largest and most anticipated gathering in North York. It lasts for 3 days from August 26 to August 28. Guests of all ages are welcome to enjoy food, performances, market vendors, and fun games.

Some of our Korean students joined this festival as volunteers. They led other students from different countries to play Korean traditional games, watch a fantastic dance performance, and eat delicious food.
