TORONTO CAMPUS JULY 2026

SGA News

The final day of the semester has come to an end — welcome, summer! ☀️

The final days of a challenging academic year have officially come to a close amid heartfelt farewells from graduating students, while also marking the most exciting time of the year for many—the summer term. The past semester has been truly memorable, especially for Grade 12 students, as university life is soon about to welcome them.

We are also very happy that some students have chosen to take a short two-week break before returning for the summer courses taking place in July and August, as well as the 2026 Summer Camp program, where they will focus on improving their English skills while also experiencing the city of Toronto in the most meaningful and enriching way possible.

SGA News

The annual Taste of North York event has officially kicked off, offering students and residents an exciting opportunity to experience a diverse range of cuisines and cultural activities.

Taste of North York is an annual community event held each year, bringing together residents from across North York to celebrate cultural diversity through food, entertainment, and community engagement. This year's event takes place right beside our school campus, making it especially convenient and exciting for our students to attend.
SGA students have been looking forward to this event, enjoying the vibrant performances, cultural showcases, delicious food, and interactive games. In addition, many students have enthusiastically volunteered at the festival, contributing their time and energy while gaining valuable community service experience and strengthening their leadership skills.

SGA News

The excitement of the World Cup is in full swing, filling every street with energy, passion, and a shared sense of celebration around the world.

Summer 2026 in Canada is unlike any other. As Toronto and Vancouver take center stage in the FIFA World Cup, the cities have come alive with an extraordinary sense of excitement and celebration. Fans and visitors from across the globe have filled the streets, creating a vibrant international atmosphere and an unforgettable spirit of joy, connection, and cultural exchange. It is a truly special moment for students to experience Canada at its most dynamic and welcoming.

Students are making the most of this unique opportunity by exploring the city, immersing themselves in Canadian culture and history, and embracing many new experiences. In addition, they are dedicating time to volunteer work, contributing to the community while building valuable life skills, independence, and confidence that will benefit them in the years ahead.
