Orientation Day Academic Year 2023 - 2024

On September 5th, we held our Fall Semester Orientation Day for the Academic Year 2023-2024 intake. The school directors and counselors gave introductions to our high school history, policies, and study schedules. Both new and returning students took a tour around our campus and visited our learning and sports center. Delicious snacks and beverages were specially prepared for the event.

Students had a great time learning more about the engaging school life, making new friends, and enjoying ice-breaker games. All of our new students were set and ready to start a new journey at SGA.

Movie Club

We are running a Movie Club, where our students get the opportunity to share their interests in the latest movie releases, and movie classics and have fun as well. After watching a specific movie, students sit and discuss the messages and meanings behind the movie.

The Movie Club broadens our students' understanding of society, cultures, and human connections. Diverse-selected and award-winning movies help teach our students meaningful values and make them explore shared life experiences.

School Uniform Day

SGA School Uniform Day is a special day at our campus and falls on the first Monday of each month. Students are required to wear their school uniform for the day. Wearing a uniform showcases unity among all SGA students and demonstrates a nice form of standardized school discipline.

At SGA, we continue to build a strong bond between our students and the school's academic community, ensuring that all students have a shared sense of belonging.

Mid-Autumn Festival

We had a Mid-Autumn Festival, also known as Moon Festival, where students shared Moon cakes and exchanged wishes for harmony and prosperity. Some students brought their traditional food to share with others as well. Our SGA students enjoyed the event designing crafted lanterns, they were creative and clever.

The Mid-Autumn school activity brought students together in celebration and everyone felt at home.
