SGA News

2024 February Orientation Day

On Feb 5th, our SGA high school welcomed a wave of eager students and families, creating a vibrant atmosphere filled with excitement and potential. From an engaging welcome opening to our inspiring student representative speech, we set the stage for a year of growth and success. The energy and enthusiasm in the air were palpable, reflecting the strong sense of community that defines our school. Plus, we took our students on an enlightening library tour, fostering a love for learning and exploration. Here's to a fantastic start and the beginning of a journey filled with learning, friendship, and achievement!

Valentine's Day Activity

The Valentine's Day activity organized by SGA High School was an overwhelming success, bringing joy and warmth to our entire school community. Students eagerly participated in decorating the school with vibrant hues of red and pink, adorning every corner with hearts and symbols of love. The atmosphere was filled with excitement and anticipation as students penned heartfelt wishes and messages to their loved ones, spreading love and positivity throughout the halls. The highlight of the event was the 'Secret Cupid' delivery service, where students anonymously exchanged gifts and surprises, fostering a sense of camaraderie and affection among peers.

Lunar New Year Potluck Party

We rang in Lunar New Year 2024 with an unforgettable potluck party at SGA, and it was nothing short of amazing. From mouthwatering dishes to heartwarming conversations, every moment was filled with joy and camaraderie. Huge thanks to all the incredible SGA students who brought their delicious creations to share with everyone! SGA students' culinary talents made the celebration extra special. Let's continue spreading love, prosperity, and good fortune throughout the year ahead! The spirit of unity and friendship truly made this Lunar New Year celebration an unforgettable experience for everyone involved.

SGA Sports Club

On Friday, February 16, 2024, members of the SGA Sports Club had an exhilarating outing at the Barbara Ann Scott Ice Trail at College Park. With the temperature around -2°C , the weather was perfect for skating, allowing students to enjoy the smooth ice for over two hours without feeling too chilly. This outing not only provided physical activity but also fostered camaraderie among students from diverse backgrounds, creating lasting memories. One of our students claimed: "It's my first time downtown and my first time skating. My feet are tired, but it's so much fun!"
