SGA News

Summer Graduation Ceremony

On June 16, we held the Summer Graduation Ceremony for our graduates. All graduates were awarded secondary school diplomas to prove their eligibility to graduate and certificates to honor their outstanding performance at SGA.

We are so proud of our students and honored to celebrate graduation with them. We believe nothing can stop them now and they can reach for the stars shortly.

Quadricycle Riding

Quadricycle is one of the most popular outdoor activities. For some of our students, it was the first time for them to ride a quadricycle. They were so excited about that.

In the beginning, we rode a quadricycle slowly along the lake, immersed in the natural scenery. Later, we decided to have a cycling race to burn our calories. All of the students tried their best to compete with the teachers' team. At the moment of passing the finish line, everyone burst into cheers.

Toronto Center Island

Centre Island is the middle of the three primary Toronto Island destinations. It's sandwiched between Ward's Island on the east and Hanlan's Point on the west.

SGA students went on a happy trip to the center island and enjoyed the natural beauty around Lake Ontario. We had a barbecue on the lawn, played Frisbee and badminton, and even watched the dragon boat race. What a fantastic day!

Pride Parade

Pride Toronto is an annual event held in Toronto in June each year. A celebration of the diversity of the LGBT community in the Greater Toronto Area, it is one of the largest organized gay pride festivals in the world.

We walked on the street to see the drag queens and ballroom culture and stayed for the dancehall and musical performances. It's a good time to support Toronto's queer community.
