## LET'S REVIEW WHAT WE DID IN 2023

SGA News

### Orientation Day Academic Year 2023 - 2024

On September 5th, we held our Fall Semester Orientation Day for the Academic Year 2023-2024 intake. The school directors and counselors gave introductions to our high school history, policies, and study schedules. Both new and returning students took a tour around our campus and visited our learning and sports center. Delicious snacks and beverages were specially prepared for the event.

Students had a great time learning more about the engaging school life, making new friends, and enjoying ice-breaker games.

### Halloween Campus Party

The annual Halloween Party is one of our well-anticipated events at SGA. It's a day to mark a single night in the year when according to old Celtic beliefs, spirits, and the dead can cross over into the world of the living.

This year, SGA had an amazing Halloween party with our sister school SGIC. Our students participated in the Halloween Costume and Pumpkin carving contests and enjoyed the talent and creativity of others. It was a great time for students to have fun and make new friends at SGIC.

### School Uniform Day

SGA School Uniform Day is a special day at our campus and falls on the first Monday of each month. Students are required to wear their school uniform for the day. Wearing a uniform showcases unity among all SGA students and demonstrates a nice form of standardized school discipline.

At SGA, we continue to build a strong bond between our students and the school's academic community, ensuring that all students have a shared sense of belonging.

### Christmas Party

Christmas is one of the best times when we gather with our loved ones, count the blessings we have got, exchange gifts, and share best wishes for the New Year. The SGA Christmas Party & Talent Show on Friday, December 15th was a huge success and students had so much fun

Our Christmas party was a great joy for all of our students, a celebration well deserved after their hard work studying during past semesters. We hold various activities for our students like jumping rope, word guessing, passing ping pong, etc.

## LET'S REVIEW WHAT WE DID IN 2023

SGA News

### Sports Club

SGA Sports Club allows students to fill an existing need for sports while exemplifying leadership and creativity. Being a member of a sports club can bring a lot of benefits to students like helping them strengthen their health, build self-confidence, and improve teamwork skills.

We held various sports activities and competitions like basketball, ping pong, tennis, etc. at our sports club at SGA School Sports Centre. All the students enjoyed the joy of sports and competition.

### Toronto Center Island Tour

Centre Island is one of three primary Toronto Island destinations. It's sandwiched between Ward's Island on the east and Hanlan's Point on the west.

SGA students went on a happy trip to the island and enjoyed the natural beauty around Lake Ontario. We had a barbecue on the lawn, played Frisbee and badminton, and even watched the dragon boat race. What a fantastic day!

### Summer Graduation Ceremony

On June 16, we held the Summer Graduation Ceremony for our graduates. All graduates were awarded secondary school diplomas in recognition of their eligibility to graduate and certificates to honor their outstanding performance at SGA.

We are so proud of our students and honored to celebrate graduation with them. We believe nothing can stop them now and they can reach for the stars. SGA teachers and staff continue to create a great learning environment for all of our students to enjoy, making our school one of the best private high schools in Toronto.

### Toronto Korean Festival

The Toronto Korean Festival is the biggest Korean festival in Canada as well as the largest and most anticipated gathering in North York. It lasts for 3 days from August 26 to August 28. Guests of all ages are welcome to enjoy food, performances, market vendors, and fun games.

Many of our Korean students joined this festival as volunteers. They led other students from different countries to play Korean traditional games, watch fantastic dance performances, and taste delicious food.
