September 2024

SGA News

September Semester Orientation

We had an incredible time welcoming all our new and returning students on September 3, 2024! Our Vice Principal kicked things off with a warm welcome and an introduction to our school policies, setting the stage for a fantastic semester ahead. A huge thank you to Toronto Police for their insightful safety education session, helping our new students feel safe and secure on campus. Plus, we appreciated the support from Hana Bank staff who assisted students in opening their bank accounts—making settling in that much easier! We also took our students on a tour of SGA Town, exploring the library, food court, sports center, and subway. It was the perfect way to familiarize everyone with all the amazing facilities available!

Mid-Autumn Festival

We are celebrating the Mid-Autumn Festival with creativity and fun! On September 17, our amazing SGA students crafted beautiful lanterns, each showcasing their unique talents. Four winning groups were rewarded with special mooncakes! But that's not all—we also celebrated the birthdays of three students born in September. This traditional monthly birthday celebration is one of the ways we strive to create a sense of home and belonging within our school community. We're not just a school, we're family!

Toronto Metropolitan University Seminar

We had the pleasure of hosting admission officers from Toronto Metropolitan University at our SGA high school on September 10, 2024! They delivered an inspiring seminar on TMU's diverse undergraduate programs, including engineering, business, social sciences, life sciences, arts and more. Our students gained valuable insights into TMU's offerings and admissions policies, building their confidence to take the next steps toward applying. A huge thank you to TMU for sharing such valuable information and inspiring our future university applicants!

SGA Clubs

On September 20, it was our first SGA Club Day of the semester! Students had an amazing time participating in the Sports Club, Yoga Club, and Public Speaking Club. From high-energy sports activities to finding balance in yoga and sharpening public speaking skills, each student had a blast! The enthusiasm and teamwork were truly inspiring, and it was wonderful to see students stepping out of their comfort zones, trying new things, and supporting each other. We're excited to see these clubs flourish, build lasting friendships, and discover new talents as the year progresses! Keep up the great energy, everyone!
